

Who We Are?

The Mental Health Service Command is a service branch of the United States Fire Department Reserve Corps.

We are the first National Volunteer Reservist Fire Department to provide services throughout the State of Florida to individuals of all ages through compassionate and professional Case management, Mental Health, and Behavioral Services.

CALL US TODAY! TREATMENT WORKS, RECOVERY IS POSSIBLE!

Family & Children's Services

Our Family & Children's Services is the place to turn for help with problems that seem overwhelming and too difficult to handle alone.

THERE IS HOPE!
